CONFERENCE AND PLANNING DAYS

POLICY:

During a school year there shall be 180 days for instruction for pupils and not less than sixteen (16) additional days for preschool and postschool conferences, inservice training, and authorized holidays.

- (1) All members of the instructional staff are required to be present for all preschool and postschool conference days. Any person not present without authorized leave may have his contract terminated as provided by law or shall have his salary reduced according to the number of days of service required under his contract.
- (2) A maximum of five (5) days professional leave without pay may be granted to any member of the instructional staff who plans to attend summer school in an institution where attendance is required during a portion of the preschool or postschool planning periods. Request for such leave may include necessary travel time as part of the maximum allowed.
