PUPIL SUPERVISION

POLICY:

Proper supervision of a pupil shall be provided while he is under the immediate control of the school. Supervision of pupils shall be maintained on the school grounds, in classrooms, in pupil occupied areas of buildings, on field trips, during an extracurricular activity, all school sponsored functions, and at any other school related or sponsored activity. Any member of the instructional or administrative staff who has responsibility for the supervision of pupils in the performance of his normal duties, or who is assigned duty requiring the supervision of pupils, who fails to provide such pupil supervision by failing to report for duty or by leaving his post of duty without being properly relieved of such duty shall be deemed guilty of neglect of duty. Any person charged with neglect of duty shall be subject to suspension from duty and termination of his contract as provided by law.
