

CHAPTER 5.00 - STUDENTS

5.052

TRANSFER OUT-OF-COUNTY STUDENTS

POLICY:

Any out-of-county student requesting to attend school in Dixie County must be recommended by the Principal/Superintendent and approved by the School Board. After initial approval, a student may continue to attend a Dixie County School provided the student remains in good standing at that school. However, any change in "good standing" status may result in the Principal recommending to the School Board for the students privilege to be revoked. Other considerations for continued attendance for following years (i.e., overcrowding of classes) shall be determined at the end of each current school year.

Any student who is granted permission by the School Board to attend Dixie District Schools may only have their permission to attend revoked by the School Board.

Out-of-county students may ride Dixie County School buses provided the student boards at the nearest approved bus stop and the bus is not overcrowded.

The superintendent shall have the authority to release a Dixie County resident student to another District.
