

Due to budget constraints the Superintendent and School Board are working to find options to minimize expenses. One of the ways we have found to save money in the district is not to fill positions when someone retires. This has occurred within the office at Anderson Elementary School. In order to continue the optimum service to you as parents and staff of the Dixie School District, we are implementing an unattended system at Anderson Elementary School. If you have called Old Town Elementary or the main number for the Business Office, you have experienced the way this works. At Anderson when you call the main number of 498-1333, you will hear a message giving you options of press 0 or 1-Main Office, 2-Guidance, 3-Bookkeeper, 4-Clinic, 5-Cafeteria, 6-Title 1, or 7-Transportation. We apologize for any inconvenience this may cause.

This same system has been implemented for Dixie County High School. When you dial 498-6410, you will hear 0-School Secretary, 1-Bookkeeper, 2-Resource Officer, 3-Assistant Principal, 4-Guidance, 5-Athletic Director, 6-Transportation and 7-Main Office.

If you experience any problems with the new system, please contact Karen Sapp or Tom Thornton at Support Services, 498-6159, or email them at karensapp@dixie.k12.fl.us or tomthornton@dixie.k12.fl.us. Thank you for your patience while we make this change to better serve our students and parents.
