

CHAPTER 4.00 - CURRICULUM AND INSTRUCTION

4.25

AIDS EDUCATION

POLICY:

The District will incorporate AIDS (Acquired Immune Deficiency Syndrome) education into its curriculum. The content of this instructional program shall be an integral part of the health education curriculum and shall contain updated and factual information. The presentation of information shall be consistent with the degree of risk of exposure to HIV (Human Immunodeficiency Virus) by the targeted student population.

STATUTORY AUTHORITY: 1001.41(2), F.S.
